

THE WEEKLY RAINBOW

WORLD SCHOOL GAMES

Last week 21 of our primary children went to Dubai to compete at the World School Games! Being the only team from this part of the globe they not only represented RISU but also East Africa. They have proudly taken the Rainbow spirit to Dubai to compete alongside 12 other international schools in 3 disciplines: swimming, athletics and football. Check facebook '[theworldschoolgames](#)' for photos and comments and get the final results and stories from the children themselves who are now back in school.

'VALENTINE'S DAY

Valentines Day is this Wednesday, and secondary school is celebrating with roses, song dedications and more. If you are expecting a delivery, stay near the steps during lunch. You can enjoy some great music, and you may receive a rose!

If you will be picking up your order, it will be in the vines. We hope you enjoy a day of spreading love!
 'Clarification: Valentine's Day will not be a non-uniform day. All students are expected to come in their usual school uniform, as exams are still ongoing.

PRIMARY SECTION NEWS

Children in Yr 2 have been looking at 'Seeing the light' in IPC. In this unit the children have learnt about light and dark. They have explored and found out how to show light and dark in their artwork, and they have investigated what seeds and plants need to grow. The children can confidently talk about what causes day and night and will be learning how light is important in many festivals and celebrations, they will also be singing songs that have light and dark as their theme. Do drop by to have a look at the beautiful work done by our children.

In Year 6 our IPC topic is **Making New Materials**. We created art inspired by a man who covered everyday objects with fur. We tried to convey our emotions, observations and experiences by covering everyday objects. Some of the art included a pillow covered in paint and glitter, a star covered in glitter, a broken heart, a red meatball sub, a volcano on clouds, a missile exploding in flight, a unicorn's horn and a dark community that has hope burning inside it. **By Abigail, Hannah, Bivan, Hamish, Kieran, Vianney, Ryan and Pheno 6MS**
