PRIMARY SECTION NEWS

Year Two are having fun learning about the Circus. We have learnt about circus in the past and the modern circus. In the past the circus was in black and white, the circus used to come to the people instead of the people coming to the circus. We are also discussing the materials used in making the big top. We discussed how the circus costumes should feel like. There are many circus performers like the clowns, acrobats, jugglers, mimes and magicians. We learnt that "Laughter is the best Medicine" especially for kids.

Life is a journey and in Year 6, we are exploring that road which, though traveled by many, still remains unknown to us. Our brains are fully engaged and we are open to more ideas. The discussions with our peers are enriching and we are discovering every day the differences between us, similarities we share and uniqueness that sets us apart from the rest. Wish you could join us. Welcome aboard the "GROWING UP" cruise.
